DESCRIPTION:

“Tradewinds” is one of the best Hawaiian, tropical or calypso bands in New Jersey. It offers more big bang for the buck! It has been one of the most exciting and coolest bands in south jersey today. Not only do we offer great entertainment, we bring the Hawaiian and the Caribbean atmosphere right at your doorsteps. We offer music that the whole family can enjoy.

“Tradewinds” is a “crowd pleaser” offering a wide range of great and cool live music from Hawaiian hula dance tunes that your kids love to Jimmy Buffet’s, Bob Marley’s and other island music.

What could be better than celebrating your wedding or other occasions in Hawaiian and Caribbean mode right here in the winter, spring or fall season? Sweet! It’s like being in a cruise right at the heart of a desert. “Tradewinds” can definitely add colors to your occasion and make the event a meaningful, worth remembering and something different or unique.

Aside from the island tunes, “Tradewinds” can offer a wide range of folk, folk-rock, country, classic rock and rock ‘n roll music. Aside from Tradewinds’ dynamic and great vocalists, we also have one of the greatest saxophonists in PA and south jersey.

“Tradewinds” provides cool entertainment from the time we start until the time we hit our last note. We are indeed a tropical band bringing Hawaiian and Caribbean music to the continental world! You will not be disappointed in any way.

We play music to a crowd of 200 to 500 people every weekend during summer in Wildwood, not mentioning that we played once for the New Jersey Gov. Codey and company last 2005.
